WELCOME TO 5M FARMS

Welcome to East Texas and the Five M Farms. We have worked hard in preparation for this sale and your visit. We trust you will enjoy your visit here and will let us know if we can do anything to make it more pleasant.

We feel you will be pleased with our sale offering and particularly the many good calves by Defender's Challenge X. We are offering several cows at the instance of our sale managers, knowing full well that we must share the great ones with our customers—but at the same time knowing they will be hard to replace.

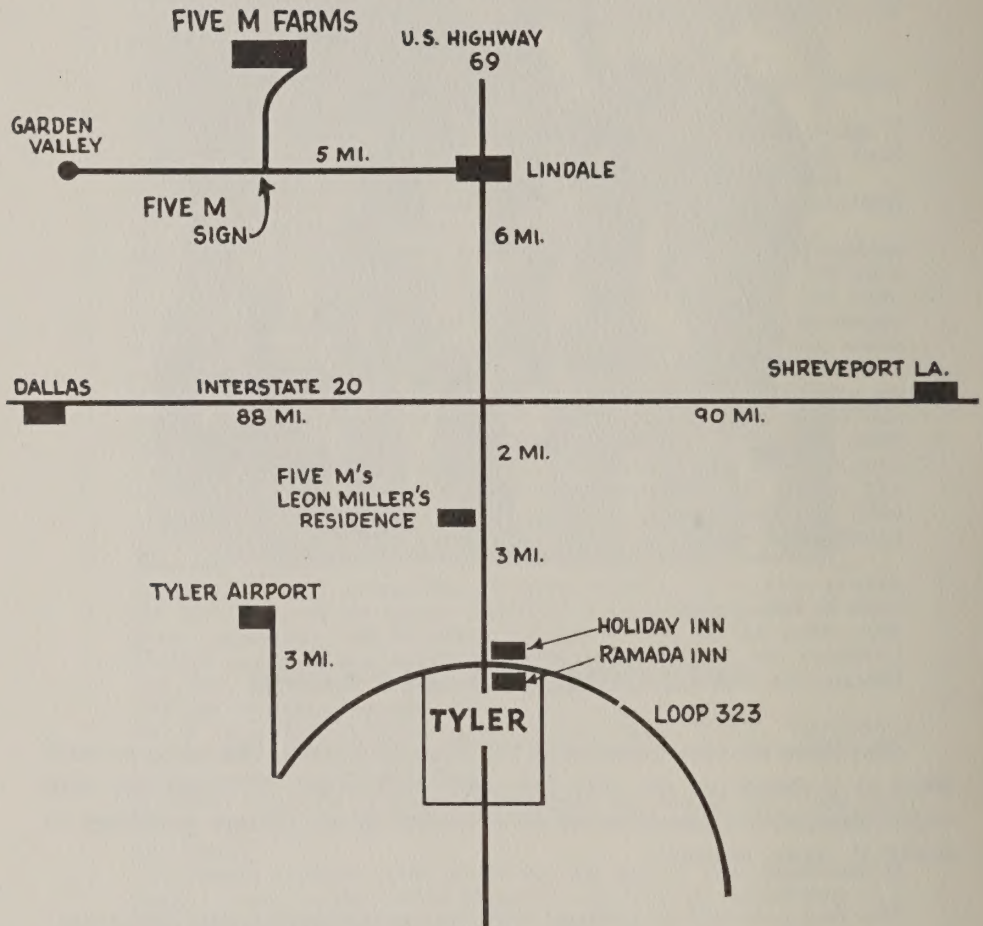

Plan to come early and be our guest at a buffet dinner at 7:00 p.m., April 27th at our home.

We are looking forward to seeing you.

Sincerely,

Mildred & Leon Miller

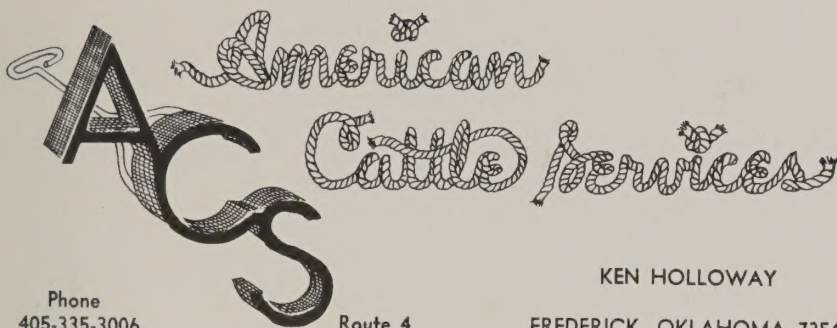

SALE LOCATION

This map is your guide to Five M Farms. There is good air and rail transportation to Dallas and Shreveport, and Texas International Airlines services Tyler, Tex. Planes and trains will be met in Dallas and Shreveport if advance notice is given, and transportation will be provided from Tyler to the farm, either from the airport or from sale

headquarters.

Come early on Friday and inspect the sale offering. This is the heart of the rose country and each buyer will receive a rose garden free of 12 plants sent at the right time for planting. Be Five M's guest at a buffet dinner Friday evening at the Miller Home. Ladies attending will receive roses.

Dear Shorthorn & Polled Shorthorn Breeder:

You should plan to be in Lindale, Texas, for the Five M Farms Production Sale on April 28. The 5-M herd is built around a strong nucleus of Shorthorn and Polled Shorthorn females from the leading herds in the breed. Leon Miller has always selected brood cows that were capable of producing growthy, high quality, productive calf crops that were sought after by both the purebred and commercial cattleman. He has never taken his eye off the goal of a commercial rancher while directing the improvement of his purebred herd. Thus, he can be credited with foreseeing some trends in the beef cattle business and moving in that direction both carefully and swiftly, cost has never been an object. Quality and performance have been chief criteria.

The addition of the entire Hal and Edna Osborne Bonnivue Polled Shorthorn herd in 1970 is indeed proof of the 5-M dedication to breed improvement. Few, if any, herds in this country possessed more of the good qualities of Polled Shorthorn cattle than this herd. They are big, muscular, sound, feminine cows that milk well and reproduce regularly. Several of these cows will sell in this offering, which truly represents a golden opportunity for the most critical buyer.

Defender's Challenge X came to 5-M Farms from the intensely bred herd of Frank Haumont. This young sire was both popular and controversial upon his arrival in Texas. However, he has indeed lived up to Leon's expectation of being "Sire of the Seventies." This big framed, stretchy, trim, modern bull is siring a great set of growthy, high quality calves as demonstrated by the fact that he sired three All-American nominees from his first calf crop at 5-M Farms. Plan to see his calves at the sale—you will like them!

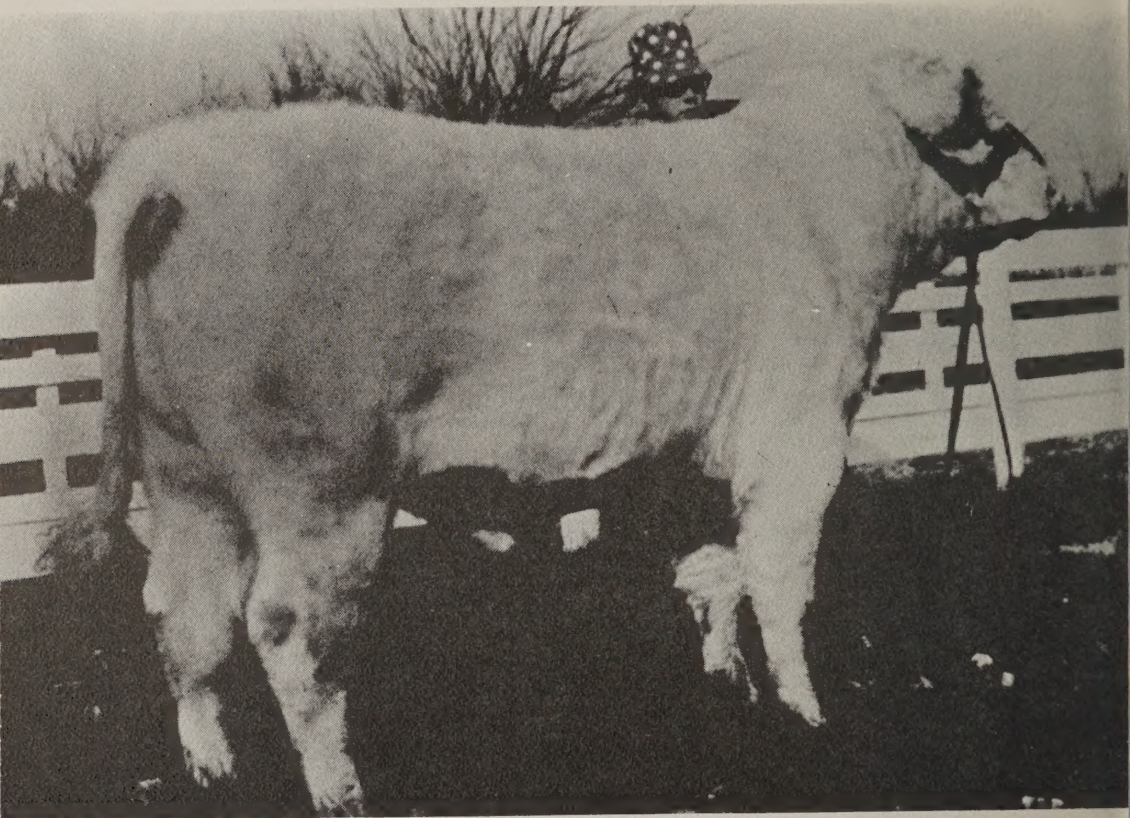

Plan to arrive early and enjoy a leisurely inspection of the sale cattle. Plan to join the Miller's at their home Friday evening for dinner. Let us know if we can do anything to make your stay more enjoyable.

Sincerely,

Ken Holloway

Defender's Challenge X is the result of a carefully planned line-breeding program and resulted from a sire-daughter mating. The economically important traits such as size, hardiness, growth rate, muscling, cleanness and structural correctness are inbred to guarantee his ability to transmit these traits. We found "Challenge" in July of 1970 running with 40 cows in Northern Wisconsin and immediately knew he was our "Sire of the Seventies." His length, size, trimness, bulge of quarter, elevation, balance and structural correctness are unexcelled. His first calves in Wisconsin confirmed our belief and faith in "Challenge's" breeding ability.

"Sire of the Seventies"

The first full calf crop here at 5-M Farms has proven our belief in "Challenge" to be well founded. Four calves were shown in the winter shows—three of which have been nominated as All-Americans. A really great set of big, growthy, long bodied calves with a lot of quality and elevation await your inspection here at 5-M Farms.

Three All-Americans sired by Defender's Challenge x.

Two of them sell April 28.

FIVE M'S TROUBADOUR x won the four strongest shows of the nation — the Eastern National, the Chicago International, the Denver National Western, and the Southwestern Exposition at Fort Worth, Texas.

Progressive breeders like his great length, exceptional trimness and abundant muscling. His sire is Acadia Troubadour 75th x who died after siring only one crop of calves, but he is by the great imported bull, Calrossie Troubadour, sire of PS Troubadour, the great International grand champion steer over all breeds.

Five M's Troubadour's dam is Timberlee's T C Rosewood 16-25th x, grand champion female of the 1964 Eastern National. Her dam was champion at the 1961 Maryland State Fair and senior champion at the 1962 Pennsylvania and Eastern Nationals, and her sire is from the great tribe of Timberlee's Consorts x which numbers more champions and top-sellers than you can count on two hands.

FIVE M's TEXAS ROSE x

All-American daughter of SV's Sir Winston x pictured winning the Senior Champion Female Award at the 1971 International, she was also senior champion at the American Royal and Grand Champion at the 1970 East Texas Fair.

S V'S SIR WINSTON x — He was grand champion of the 1966 Tennessee National Sale, one of the strongest in the nation. He was purchased among the tops of the Upson Plantation dispersion where his sons and daughters were the leading attractions.

Up to 19 months his lifetime daily gain was 2.42 pounds. He represents the two best sires in the Sewanee Valley Farm's herd at Cowan, Tenn. Lynnwood Bolster x sired many champions and many first prize gets of sire. He sired big, sure-footed cattle that were popular with commercial cowmen as well as showing judges.

Sir Winston's dam is a Charity by SV's Ideal x, sire of a Polled Congress grand champion female and a whole tribe of top-winners and top-sellers in the Southeastern Regional sales and Mid-South fairs.

He has developed into a top sire in the Texas heat. His calves have that extra length that is so sought after today. About a dozen of his calves sell and many females are bred to him. He stands on good bone, good feet and is the trim, heavily muscled, modern type. If you are looking for real producers, his calves will do it.
